The Baptist church, one of the landmarks of Johnson, has been sold and given to Waterman lodge, F. and A. M., to be used for lodge purposes. The deal was consummated through C. H. Stearns, who has filled all the chairs in Masonry and is a 33d degree Mason, and L L. Pearl, the oldest living member of the church. After a few repairs and alterations, the building will be ready for use by the lodge. The Baptist church society was organized in 1846, and a church was built on the site where the Oakes house now stands, and in 1856 was taken down and rebuilt on the present location. Until 1910 it had a regular pastor, but since then there has been no regular service, as most of the influential members have died.

Our New England 'Phone is taking a much-needed rest. Don't think, however, that we are doing anything of the kind. Quite the contrary, as all our time now is given to waitcontrary, as all our time now is given to waiting on customers. We are kere morning, noon and night, especially at night.

Goods are coming in and going out so fast that it looks like the telephone had been a mistake all along.

We wish to take this opportunity to say "Hullo" once more and to let you know that we are right here and are working, if the "line" isn't. If you have doubts, COME AND SEE.
